Hierdie is my 100ste Sierduif wat ek gedoen het. Kan dit amper nie glo nie. Ek het my eerste boekie gedoen in Julie maand 2005 en nou in Mei maand 2019 is die 100ste een gedoen. So met die jare het ek baie dinge geleer van hoe om die boekie aan mekaar te sit met mooi fotos en artikels. Ek het my 'n hele paar keer moeilikheid op die hals gehaal by die UK en lede oor artikels wat ek gepubliseer het. Ek was een keer amper aangekla deur 'n man iewers in die buiteland wat gesê het dat ek sy artikel wederegtelik geplaas het, maar ek is deur alles net al hoe sterker gemaak en het ek my man gestaan.

100 uitgawes van die Sierduif in veertien jaar is seker nog nie eers naby aan wat Kobus Snyman gedoen het in 24 jaar wat hy die boekie gedoen het nie maar dis nogsteeds baie en iets om op trots te wees. Ek was deur die jare baie keer lus en bedank as Nasionale Redakteur om net weer omgepraat te word deur my wederhelfte, kinders en duife vriende.

Redes hoekom ek wou opgee is natuurlik eerstens

die gesmeek vir artikels om te plaas, fotos wat nie geneem word tydens skoue en duiwedae nie en dan natuurlik ook het ek bietjie swaar gekry tydens my hart operasie. Maar ek is deur alles net deur op my knieë te bly en dankbaarheid vir die genade wat ek elke dag so mildelik van die Here ontvang.

Een van die dae is dit weer SA's en hierdie keer in Pretoria nogal by die Monument. Ek glo dit sal weer 'n groot sukses wees soos al die vorige Kampioenskap skoue wat ek bygewoon het. Elke skou het sy eie uniekheid en moet nooit met ander skoue vergelyk word nie net soos jy nie jou kinders met mekaar mag vergelyk nie. Kom ons gaan geniet net weer die week wat ons het om met ons ou vriende saam te wees en om ook weer baie nuwe vriende te maak.

Ons moet nooit die rede hoekom ons daar is uit die oog verloor nie naamlik die duif wat altyd as vrede simbool by ons moet bly nie. Kom ons almal gaan beoordeel die duife en nie die mense nie en ons geniet elke oomblik van die paar dae wat ons gegun word om net duife te praat en doen. Onthou asseblief as jy nie iets goeds van iemand kan sê nie bly liewer stil glo vir my dis baie makliker.

Nouja, geniet die res van die skoue wat nog oorbly. Ek beoordeel nog net die Noord Vrystaat streek skou en dan die SA's as dit die Here se wil is en ek bly gesond en aan die lewe.

Sien julle dan in Pretoria as alles goed gaan.

### Beoordelaars

#### 2019 SA's

Benard van Zyl

Onderaan die skrywe verskyn die lys van die beoordelaars wat uitgenooi is om op die Nasionaal te kom beoordeel, saam met die rasse aan hulle toegewys. Ek het so na as moontlik aan Spes. Klubs se nominasies gebly as wat ek kon. Vroeg reeds het drie beoordelaars aangedui dat hulle weens verskeie redes nie sal kan-beoordeel nie en moes daar noodgedwonge alreeds verander word.

Hou asseblief ingedagte dat daar naderaan die Nasionaal weer verandering gemaak kan word wanneer die rasgetalle beskikbaar word.

Ek doen graag 'n beroep op Spes. Klubs om my of Ds. Hennie Hattingh te kontak vir 'n lys van watter beoordelaars watter rasse kan beoordeel. Daar is heelwat manne met sertifikate wat gebruik kan word op skoue. Daar hoef nie altyd na die Senior beoordelaars gekyk te word nie. Hoe anders moet 'n nuwe beoorelaar-ondervinding optel....

**Ingestuur deur Charl Naudé**

My verbintenis met duiwe begin in 1955 toe ek vir my Oupa, by wie ons gebly het, gelieg het. Ek het geweet hy sal vir my geld gee as ek 'n knipmes wil koop, hy het ook, maar ek het "Commens" in die destydse swart woonbuurt gaan koop. Hierdie "stoet" het al groter geword en is later weens hulle gewoonte om die huis se dak te bevuil deur my nuutgevonde stiefpa uitgemoor.

Ek het darem later matriek deurgekom, in die myn gaan werk en is later opgeroep vir nege maande militêre diens waarna ek begin studeer het. Dit het ek aan en af vir sewe jaar gedoen. Ek het op verskeie plekke skool gehou en later op De Doorns beland waar ek blyplek op 'n plaas bekom het. Daar was plek en ek het weer begin duiwe versamel - ongelukkig moes ek weer verhuis vir bevordering

en die duiwe moes gaan. Uiteindelik ontmoet ek toe op Durbanville vir Dick Hattingh en ons besluit toe ek sal Mookees en Modenas teel soos hy. Ongelukkig moes ek toe weer skuif na Burgersdorp om skoolhoof te speel. Daar bou ek toe weer hokke en kry by Dick Hattingh twee paar Mookees en twee paar Silver Swael Modenas.

Dis hier waar ek seker die "gentleman" van Sierduiwe naamlik Jack Forbes ontmoet het. Jack het geteel met Tuimelaars wat hulle van Mike Knaggs uit Engeland ingevoer het. Jack was baie in Modenas geïnteresseerd en ek koop toe Gerhard van Beeck se Silver en Swael stoet. Met die deel van die duiwe ontmoet ek toe skoonbeen Langgesig Tuimelaars. Net daar besluit ek dis eintlik die die duiwe wat ek wil hê en gee Jack Forbes vir my twee paar swartes en 'n ingevoerde paar blou grizzles.

Tyd om te skuif het weer aangebreek en ek is Robertson waar ek later afgetree het as skoolhoof. Hierdie keer het die duiwe saam getrek. Ek en Jack Forbes het aangehou teel met ons Tuimelaars en baie skoue bygewoon. Daardie jare was 'n SA's 'n belewenis. Almal het gewoonlik twee of drie duiwe in 'n klas geskou - die beste een, die een wat die beoordelaar gaan laat wen en een vir geluk. Daar was dus dikwels 15 plus swart duiwe gelyk in twee loophokke en beoordelaars moes bontstaan want al die vertoners het rondom hom gestaan en die

uitkoms afgewag.

Dit was gou vir my duidelik dat ek gaan sukkel om gereelde invoerders van Tuimelaars te klop. Ek het ingeteken op die "American Pigeon Journal" en 'n studie gemaak van die Tuimelaars en die telers. Uiteindelik het ek duiwe van Fred Drumm ingevoer maar dit was nie goed genoeg vir my nie en ek het kontak gemaak met Jim Bush en hom geld aangebied vir baie goeie duiwe. Daar moet onthou word dat die siening dat 'n Tuimelaar enige kleur mag wees solank dit swart is daardie dae gegeld het. Keith Leigh het dit byna reggekry om die swartes in te haal met sy rooi en geel duiwe. Onder die duiwe wat ek toe gekry het was daar 'n teager splash wyfie wat later 'n mannetjie geword het en wat die kern van my stoet was. Hierna was my kop deur en toe almal begin sien dat die swart duiwe nie noodwendig meer die beste is nie, het ek begin wen.

Intussen het ek ook Kings - onder andere die eerste een wat nie wit was nie - van Amerika ingevoer. Ek was ook die eerste ou wat Domestic Show Flights ingebring het. Dit is vir enige ras belangrik dat jy getalle moet teel sodat jy streng kan selekteer. Ek het goeie voerders gehad en redelik geteel. Ek is net jammer dat ek nie duiwe meer onder ander ouens versprei het nie.

Ek kan nie meer die jaartalle onthou nie, maar ek het top algehele toekennings in Johannesburg gehaal toe ek beste jong duif op skou gewen het met 'n splash wyfie. Sy was die beste duif wat ek geteel het. Die enigste rede waarom sy nie kampioen was nie, was omdat haar kondisie op daardie stadium nie goed was nie - Johannesburg is vêr. Die volgende jaar het ek met 'n broer van haar die SA Kampioen vertoon.

### **Pigeons in Judaism and Christianity**

The first historical indication of there being religious significance associated with the domesticated pigeon was in 3000 BC during excavations of temples and tombs in Egypt, Mesopotamia (modern Iraq) and Crete. Images of pigeons were first found in an excavated temple dedicated to the goddess Ninhursag (Queen of Heaven and Earth) at Al'Ubaid in Sumeria. On the reconstructed façade of the temple, a limestone frieze was found showing a row of sitting pigeons. Another discovery, found in

Copper/Bronze Age tombs (3rd/4th millennium BC) excavated on the island of Cyprus, revealed large number of clay bowls, some decorated with doves. These closely resemble similar clay bowls found on the island of Crete. The bowls are thought to have been used for sacrificial worship or have some other religious significance. Excavations of tombs dating back to 1600 BC at Mycenae in southern Greece revealed two ornaments that depict doves. One is of a goddess holding a dove in either hand, and another perched on her head, and the other depicts an altar upon which doves are perched. Another excavation in Canaan (modern day Israel and Lebanon) dating back to 1200 BC found a terracotta relief depicting a Dove-goddess holding a dove in either hand. Further examples have been excavated from Canaanite temples dating between to 1100-1300 BC, one showing a model of a shrine shaped roughly like a dovecote with pigeons sitting within the dovecote holes. These examples not only confirm the religious significance of the dove in early history but also confirm that the dove was bred in dedicated dovecote facilities for religious

worship. The pigeon was used as a sacrifice in early history, with King Rameses III, King of Egypt, sacrificing 57,000 pigeons to the god Ammon at Thebes in 1100 BC.

### **Pigeons and the Romans**

The Romans had a great affinity with the pigeon and although they sacrificed the dove to the goddess Venus, and therefore revered the bird, they

also bred different varieties and used the pigeon widely as a messenger. Historian and philosopher Caius Pliny, writing in the 1st century AD, says: "Many people have quite a mania for pigeons, building turrets for them on house roofs and trac

ing the pedigrees of single birds...". The pigeon is commonly depicted throughout the Roman period but never in more detail than the superb Dove Mosaic discovered during the 18th century at Emperor Hadrian's Villa. Another detailed mosaic, dating from 200 BC, shows a priest beside a shrine with an adjoining dovecote. The dovecote is detailed with pigeons on the roof and flying above it. This mosaic further confirms the connection between worship and the breeding of pigeons.
