Dis nie wat om my is nie, maar wat binne in my is wat tel.

Niemand kry 'n program, van die konsert van die lewe nie.

Voorwoord

Christo Munnik

Dit is alweer die eerste Junie vandag as ek die voorwoord skryf. Dit raak nou 'n gewoonte maar dis vir my lekker om dit te doen. Ek en Cora werk in elk geval saam om die boekies te doen, ek maak gewoonlik maar die fotos gereed en sy doen die res.

In die maand se Sierduif is nou baie meer skouuitslae en fotos wat die boekie weer lekker maak om te lees. Omdat ek hierdie jaar nadat ek van die Suidkus af terug gekom het vir baie skoue gevra

is om die hoof beoedeling te doen is my gesig baie te sien in die fotos maar julle moet maar verlief neem daarvan ek is tog maar een van die mooier manne in die hobby nê

Ek en Cora vra verskoning dat die Sierduif nog nie heeltemaal betyds verskyn nie maar ons doen ons bes om dit reg te stel ons sal een of ander tyd weer bykom. Ek wil darem net ten minste een boekie per maand die lig laat sien en dit gebeur darem.

Ons wil net weer vra dat lede asseblief hulle lewensverhaal sal skryf en in stuur met baie fotos dit is in my oë 'n wenner en geniet lede dit om ander mense se weë wat hulle loop raak te lees. Kom ons probeer weer manne en dames al is jy nog nie lank lid van die SASV nie daar moet gewoonlik duiwe in jou verlede gewees het. Skryf asseblief tog maar iets vir die Sierduif.

Champion on Show	Birmingham Roller	YC	Shayla Schwarz
Reserve Champion	Mookee	YH	Jocelyn Dent

After nine years plus being out of the pigeon game and not attending any shows, it was a stressful yet exciting time for me leading up to our show. With the departure of the Munnik family from KZN, I was thrown into the deep end a bit with not knowing or can't remember how things work these days with setting up and arranging shows. With the support of the current KZN members, old members, Christo and Corra we managed with team work to arrange and put a great show together.

There was a total of 8 exhibitors that entered, 6 seniors and 2 juniors, 144 pigeons in total made up by 33 different breeds. Christo was the head judge for the day and did an awesome job. All the exhibitors

were glued to his side all day while he was judging. He provided and carried over knowledge money can't buy on our different breeds. At times he was harsh yet fair about the condition or standards of some our pigeons. All this was taken in with good spirit by the exhibitors and all of us agree that the day was a great leaning experience. On this note I would like to take the opportunity on behalf of all KZN members, to thank Christo for making the trip down to KZN to judge our pigeons and share his knowledge with us.

On a personal note, there is two things I would like to bring up that is a concern for me. It was rather disappointing to see that KZN did not receive any

entries from members in other regions. Up until I left about nine years ago the KZN show attracted a lot of exhibitors from the various regions. It seems that the attendance has gone down over last couple of years since there are two shows on the same weekend. It seems that the up-country provinces opt to rather not attend the KZN show due to that the other region is closer to them to travel to. I might be wrong, but this is what I take out of the situation and stats showing over the last couple of years. Two regions that is close to the other regions shouldn't have their regional shows on the same weekend.

The other matter is I feel the KZN show is too early in the year and most of our pigeons has not gone through the moult. With pigeons still going through the moult makes the selection for exhibitors on their best birds for the show difficult and places them on the back foot even before the show starts. We all like to enter our best to standard and conditioned birds for a show, therefore I feel the KZN show should take place at least a month later so that all birds have gone through the moult.

With the above said, KZN region will be on a major drive this year to grow and promote our sport/hobby in the region, especially among the youth. Plans and efforts will also be made to attend, and support shows in the other regions. We are also looking at changing our venue for the 2023 show to make it more exciting and fun for the exhibitors and their families. We hope to see some of you at our 2023 show.

Duane Schwarz Acting President

I always enjoy our shows. Thank you to everyone who made this year's show possible. We have all missed been together as friends, our hobby is very unique. Thanks to our judge Christo Munnik for his professionalism. We are all not too old to learn. Although he seems to pick on myself and Doc Hartley more than anyone else. All in good spirit of course. I agree that our show should be held at a later date, and also not on the same weekend as other region pigeon show. It definitely has a negative impact on entries for us in KZN. Let's make next years show a great one. To our members traveling to other shows, we wish you the best. Safe travels until we meet again.

Wayne Nicholson

I would like to thank everyone for helping me and guiding me at my first show. Everybody was very kind and I can't believe how lucky I have been to learn so much from all of you especially judge Mr Christo. Thank you to Aunty Wilma for all your help with the paperwork and also a big thank you to everyone who fed us so well. This show has made me even more enthusiastic about breeding and showing.

Lastly, but most importantly, I would very much like to thank my mentor, Doc Hartley, for starting me on this exciting hobby and for always being there to show me the ropes and giving me my first birds which I will treasure forever. I hope to see you all again very soon. Thank you.

mense learning experience.

Breeds. Considering the relatively small entry, 33 breeds on show from nine exhibitors was excellent.

Learning. Again due to the small number of exhibitors, the judging was conducted in truly informative manner. The Judge Christo Munnik, explained the finer points of each breed to us all which was a great insight into fancy pigeons from the enormous knowledge of a top judge. Each exhibitor was subjected to robust castigation, or praise, as appropriate, in the Judge's usual colourful language.

Catering. Friday evening braai was a festive affair with super steak and wors donated by Bluff Meat Supply and salads by the lady members. Saturday kicked off with delicious egg and bacon rolls cooked by the ladies. Judging was interrupted by Neville's famous KZN curry. A KZN member, Michael Frey had kindly donated the top quality beef and bacon.

Cameraderie. Nearly all KZN members attended the show and a number of past members visited. Throughout the show, good humour, fellowship and a common love of pigeons was evident.

Venue. The Royal Showgrounds are a superb venue for any show and the tragedy is that they have been sold and will shortly disappear.

Prize Giving. Each exhibitor was lucky enough to win at least one of the classes and to enjoy the generously sponsored prizes.

John Mowat

My pigeons were not all ready for the show. I had to leave some at home as they are still moulting. I would like to have a later show in the season so that I can compete against more out of province exhibitors. This would be more of a challenge for me and keep my interest in the sport going. I would also like to make new friends from all over the country that have a love of fancy show pigeons.

Jocelyn Dent

When all the Munniks left KZN in January 2022 I felt very sorry for the remaining few members that stayed behind, but I knew they would stand up and have a show at the end of April.

Duane Schwarz were elected Vice-President at

their AGM end of 2021 and were told that the Vice do not have a lot of work to do.

So he was pushed into the deep end when first Harry who was the President of the Region left and then me and Cora who made up 80% of the management team. Duane showed us that he is not scared and took the bull by the horns speaking and visiting all the members.

Today I take my hat off for what he and his team did to ensure that the regional show will be held. I enjoyed the stay with them and did my best to judge the pigeons and answered all question they had. I must also say that after I received all the entries for the show was very disappointed that nobody of the other Regions entered any birds.

Keep up the good work Duane and your team things will come right again.

Christo Munnik

Very disappointed that we had no entries from out of Province, we however had a wonderful internal show had many discussions and learned a lot from a very competent judge. Thank you Christo Munnik for your patience and all the advice. You went out of your way to teach us a lot of finer points of each breed. We all appreciate your patience and willingness to help anyone who asked you to. I feel strongly that we should hold our Regional Show a bit later in the year when our neighbouring Provinces have no Shows and our birds are completely out of moult. A good time would be when the Cape Shows are on as the distance prohibits travel to them. Once again thanks to all involved for a great internal Show hopefully next year we can arrange our Show on a date which is suitable for our neighbouring Provinces to support us.

Noordkaap hou streekskou.

Streekskoue is die voedingsbron vir die sierduif-stokperdjie. Vriendskappe word weer versterk, nuwes word gevorm, daardie lekkerte van duiwekyk, -gesels, sosiaal verkeer en dan op die ou end, kompetisie!!! Wonder nogsteeds hoekom party sierduifboere aan 'n klub behoort en ander nie, seker maar die eiesoortigheid van die mens. Vir my is daardie behoort tot wat bydra tot die voortgaan met die stokperdjie en die geniet daarvan.

Was dit 'n heerlike skou!. Vertoners van NVDV, WTvl, NV, VS en WP het bygedra tot die sukses van ons skou. Vertoners van ander streke dra by tot gehalte van die duiwe wat vertoon word, die graad

van die kompetisie en bring ons wat so bietjie afgesonder is van die res van die ander streke weer invoeling met ons stokperdjie. 381 duiwe is vertoon deur 21 vertoners wat 30 rasse verteenwoordig, die meeste duiwe vir ons streekskou sedert ons dit in Upington aanbied. Dankie aan daardie juniors wat ons skou kom verryk het met hul deelname en daardie pragtige duiwe.

Skou-opsit was die woensdag al voltooi, gewillige hande het gehelp dat ons teen woensdag middag alreeds klaar was, donderdag hokkaartjies gehang en kos- en waterbakkies gevul. Vrydag was dit duiwehok en wag vir die vertoners. Lekker as hande wat weet hoe om dinge te doen hulle deel kom doen!!!. en was dit lekker om al die bekende

gesigte te sien en selfs nuwes te ontmoed, ek glo hulle is man-en-muis terug volgende jaar en dalk nog 'n paar nuwes ook. Dit was lekker om vir Pierre en Antionette le Roux, ons hoofbeoordelaar alle pad van WP, hier te verwelkom. Duiwe-uitpak is mos deel van skou, hier-en-daar 'n veertjie uitpluk en dan daardie pote-versorging, elke ou glo aan sy raad!!. Daardie laaste behandeling om enige ongewenste besoeker te dood en die wat moontlik van sy bure op hom of haar spring, daardie vinnige spuit onder die vlerke en stert. Tussendeur word daar gesels, gekyk en gewerk.

Elke lid ken hy of haar se verantwoordelikheid tydens ons skou, die nuwes het vinnig deel geword van ons span, dankie, alles het seepglad verloop. Vrydagaand se braai was 'n heerlike af-fêre, die vrouens se hande staan vir niks verkeerd nie, hulle kan raakvat, so ook André Bruwer met sy braaispan. Saterdagoggend, donsvoordag, wou die manne die laaste afrondings doen, dit mag die verskil tussen wen en verloor wees! Na heerlike warm koffie en beskuit is daar geopen en die manne met

die witjasse met hul stewards kon begin. Deur die voormiddag is almal se innerlike weer versterk met heerlike pap, wors en 'n lekker tamatiesmoor en van daardie vorige aand se braaivleis en wors, daarna het alles mooi optyd verloop. Borge is 'n deel van sulke geleenthede, daarsonder kan jy maar vergeet, die inskrywingsgelde is hopeloos te min om alle kostes te delg. Dit is en bly lekker om jou gaste te onthaal en iets terug te gee vir al hul moeite wat hul gedoen het om jou skou te kom by-woon.

Uiteindelik was die groot wag verby, alle raswenners in hulle hokke, mooi afgeneem deur ons fotograaf, sertifikate geskryf en die Top 7 is uitgehaal.

Baie geluk aan elke vertoner wat kom deelneem het tot die Kampioenduif op die skou, alle lede en hul gades wat heel deel gedoen het om van die skou 'n sukses te maak, elke vertoner buite ons streek wat kom deelneem het en aan elke beoor-delaar en hoofbeoordelaar wat sy beste gegee het, dit word opreg waardeer.

My naam is Gert Smuts. Ek is al die afgelope 20jaar woonagtig op 'n besproeiingsplaas, buite Douglas, in die Noord-Kaap. Ek is 'n gekwalifiseerde diesel-werktuigkundige, en ook tans plaasbestuurder.

My liefde vir duive het as kind begin, my pa het vliegduive gehad, en ek het baie by hom geleer, en ook later my eie rollers gehad, waarmee ek gevlieg het.

Die laaste paar jaar, het ek weer my liefde vir duive begin uitleef, maar hierdie keer het sierduive my ooggevang. Op die oomblik het ek Modenas, Lahores en waaierstert duive. My gunsteling bly maar die Modenas, hulle is groot en mooi met baie-houding.

Mens wonder baiekeer, moet ek nou werklik by die SASV aansluit? Of jy dink, as ek nou reeds lid van die SASV is, is dit nodig om by 'n streek ook aan te sluit? Al die vorms en foie... En is dit nodig om 'n skou fisies by te woon, veral as ek 'n beginner is, en my duiwe nog nie naasteby op standaard is nie?

Ek wil vandag vir julle sê, ja, ja en nogmaals ja! Dit is 'n absolute MOET. Doen jouself 'n reuse guns en sluit aan, raak deel van hierdie wonderlike groepe en maak seker jy mis nie een geleentheid om meer te leer nie.

Die naweek van 29 April, het ek en my gesin die bietjie meer as 400km afgelê na Upington, waar die Noord Kaap streekskou gehou is, ek was nuuskierig om te sien wat 'n skou als behels en ek het uitgesien om al die duiwemanne aangesig tot aangesig te ontmoet.

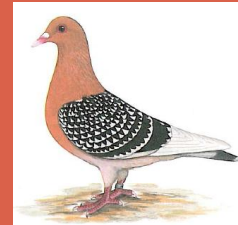

Vrydagaand was daar 'n gesellige braai, en ek het sommer dadelik welkom gevoel. En uiteindelik kon ek gesigte by die stemme, wat ek net altyd oor die foon hoor, voeg. Dit het gevoel asof ek almal al jare ken. En dan het ek ook gesien mens kan spookasem drink, ja... jy het reggelees, drink...maar dit daar gelaat.

Saterdag was skou dag, ek moes inspring by die diep kant en help as steward. Ek het verskriklik

baie geleer, en hier het ek gesien hoe duiwe werklik moet lyk, volgens voorgeskrewe standarde. Op die oogaf, lyk al die duiwe mooi en almal het potensiaal om kampioene te wees, maar wanneer jy 'n duif in jou hand hou en met 'n beoordeelaar

om 'n skou of twee by te woon is van onskatbare waarde, as ware, "priceless". Jy sal kennis opdoen oor dinge wat jy nie eers geweet het bestaan nie, jy gaan kontakte win in die duif-wêreld, en belangrikste, jy gaan vriende maak, deel word van 'n familie. O, ja en as jy besluit om jou vrou en kinders saam te vat skou toe, wees gewaarsku, jy gaan heel waarskynlik 'n inkopielys kry van duiwerasse wat hul graag sal wil hê.

Ek sluit af met 'n groot dankie aan Oom Seppie Esterhuizen, vir al die reëlings rondom 'n baie suksesvolle skou. Ek weet daar is baie mense agter die skerms wat ook werk om die skou 'n sukses te maak, aan julle ook, baie dankie.

Ons tel die dae af na die volgende Noord Kaap skou, en hoop om baie nuwe gesigte daar te sien.
