Voorwoord

Deur Christo Munnik Nasionale Beoordelaarsbeampte

As julle hiedie skrywe kry in die nuutste Sierduif wat op die webblad verskyn is die SA Kampioenskapskou in Bloemfontein seker al aan die gang. 'n Eerste vir die SASV in meer as 75 jaar se bestaan dat daar besluit is, na vele besprekings en ook sommer stryery, dat daar van nou af een sentrale SA Kampioenskapskou gaan wees en wel in Bloemfontein. Soos ek reeds gesê het was daar baie teenkanting en is daar blykbaar steeds teenkanting van sekere individue om die skou jaarliks in Bloemfontein te hou.

Ek persoonlik het die voorstel al baie jare terug in die Sierduif laat publiseer net op 'n ander grondslag. So hierdie jaar uiteindelik het dit gebeur nadat die voorstel vanaf Phillip Lee en sy vriende gekom het en hulle gevra het dat ek dit asseblief tydens die UK vergadering in Malmesbury op die tafel sal lê. So gevra so gedoen en daar was dadelik UK lede wat saamgestem het en daar was natuurlik die wat ook daarteen gestem het, Daar was 'n komitee saamgestel wat dit sou ondersoek maar die het baie gou ontbind oor stryery onder mekaar.

Blydskap het hoog geloop toe die bestuur van Noord-van-die-Vaal besluit het om tog voort te gaan met die reëlings rondom die hou van die sentrale skou in Bloemfontein. Wes Transvaal se bestuur het ook dadelik ingestem om te help met die reëlings en siedaar die skou gaan gebeur in Bloemfontein die jaar vanaf Woensdag 28 Junie 2023 tot Saterdag 01 Julie 2023.

Die heel lekkerste van die hele SA's is dat omtrent al die lede wat ingeskryf het by een plek gaan bly naamlik Die Rusplek so daar gaan lekker gekuier en geparty word. Sien julle daar as ons lewe en gesond bly. Julle moet versigtig ry veral die lede wat van vêr af kom.

As jy kla, kla by iemand wat kan help.

Huldeblyk aan wyle Simon Jordaan

Christo Munnik

Wyle Simon Jordaan met sy groot pryse in 2019 saam met Christo Munnik President van die BRVK.

Nou ja, wat sal 'n mens nou te sê hê oor wyle Simon Jordaan se lewe saam met die duiweboere. Ek en wyle Chris vd Berg het vir Simon ontmoet in Johannesburg tydens 'n skou daar in die vroëe negentigs, is nie seker of dit 'n SA Kampioenskapskou was of sommer net 'n ou Transvaal Streekskou nie maar daar was die man met sy rolstoel in die kroeg saam met die ander manne.

Ek sal dit nooit vergeet nie ons het ingestap, wyle Chris vd Berg het gevra wie is Simon Jordaan (wetende dat hy in 'n rolstoel sit) en die kroegman het hom uitgewys vir Chris wat in sy militêre houding gevra het of hy dan nie opstaan as hy iemand groet nie. Natuurlik het die almal uitgebars van die lag en Simon het iets terug te sê gehad wat nog meer lagwekkend was.

Ons het vir baie jare saam geskou met Birmingham Rollers wat ons drie se voorliefde was en mekaar goed laat les opsê met die uitslae. Wyle Simon was dan gewoonlik aan die verloor kant waarvan hy niks gehou het nie, maar sy duiwe was daardie tyd nie op standaard nie. Hy het wel later jare vir ons goed gas gegee met baie goeie Birminghams en moes ons dit natuurlik vir lank daarna ook hoor.

Die grootste prys wat ek van weet wat wyle Simon verower het met 'n Birmingham Roller was toe hy die beste duif vertoon het tydens die 2019 SA Kampioenskapskou in Pretoria by die Monument. Daardie blydskap van die man in die rolstoel sal ek nooit uit my gedagtes kry nie die man was uit sy vel uit oor die toekenning.

Die Birmingham Roller Vertoners Klub ede saam net Wyle Simon en sy pryse. Agter staan At van Jaarsveld BRVK Vise-President, Flip Koekemoer lid van BRVK, Attie van Aswegen met sy prys Sekretaris van BRVK en Christo Munnik President BRVK.

Huldeblyk aan wyle Simon Jordaan deur Shaun en Karel-Jan Smeda

Oom Simon

Ai my oom, daar is steeds n knop in my keel
Nog soveel stories wat ons moes deel
Van rollers, plante en selfs daai valk
En hoe ek my hokke droog hou met landbou kalk

Ek is vanaand skaam as ek moet dink
Wat oom voor kans gesien het wat menig sou sink
Daai hande het vir niks verkeerd gestaan
Waarookal oom met daai twee wiele gaan

Karel- Jan het reeds oom se rollers uitgevang
Die paar wat oom se hart so na verlang
So baie wou hulle by hom hê
"Maar dus klaar oom Simon sin" sou hy sê

So vir nou moet ons eers groet tot later
Tot ons eendag weer saam in die Hemel skater
Oor oom se manawales en lewe
En daai laaste medalje in Nelspruit in die top sewe

Rus sag my oom

Shaun & KJ

Hulp word gevra vir een van ons lede, Harry Munnik, alreeds 36 jaar lid, se dogter, Leanè Munnik is serebraal gestrem en benodig spesiale toerusting en behandeling om haar lewe makliker te maak en dit kos ongelukkig baie geld en die medies betaal nie altyd vir alles nie. As enige iemand dalk kan help deur 'n eenmalige bedrag of dalk deur 'n maandelikse bydrae, sal dit baie waardeer word. Die geld kan direk in haar bankrekening inbetaal word

The "Noord-show" in the Netherlands.

By Jan Lombard

During January 2024 me & Nita will attend this show to promote my hand painted pigeon figurines. The name looks as if two languages were combined, but the word "skou" does not exist in the Dutch language. They simply call it a show. Many English words are used as is in modern Dutch. We will spend the day before the show with our friends:renown international fancy pigeon judge Dickie Hamer (whom many South African may have met when he visited some years ago), Fabio van Olst (breeder af Nuns, Felegyhazaer Tumblers and Chinese Nasal Tufts) and Peter Goossens (Ghent and Holle Croppers) who all lives in close proximity to each other in the Gelderland province. After the show we will take the train to Copenhagen to visit our son Larry and his wife Carolien in Denmark. I plan to write an article about our experience on return from Europe.The following was taken from the Noordshow's website and translated into English.

The "Noordshow" association was founded in 1976 by approximately 70 small animal associations from the provinces of Groningen, Friesland and Drenthe. The purpose of the association is to organize a large annual show of small animals, where animals are shown from breeders of poultry, bantams, Seramas, rabbits, guinea pigs, small rodents, fancy pigeons, ornamental birds and waterfowl

Around 1975 there were big shows elsewhere in the country, such as in Utrecht, Den Bosch and The Hague, but there was no big show in the Northern Netherlands. The wish to also have a big show in the north of the country was alive with many breeders. The association was founded with this aim in mind.

The aim of the association turned out to be a success, because thanks to the efforts of hundreds of volunteers, the show has grown into the largest small animal exhibition in the Netherlands with the entry, in 2018, of around 8,000 animals.

The power of the Noordshow is that the cooperating associations each contribute to the organization of the show. All of this happens selflessly and so the solidarity among the breeders gets a wonderful stage and the Noordshow is a concept in the Northern Netherlands and far beyond.

Initially the show was held in the Prins Bernhardhoeve in Zuidlaren, but from 2015 the show location is Expo Assen, formerly the TT Hall. The Expo Assen hall is located right next to the A28 motorway and is therefore easily accessible from all parts of the Netherlands. In 2022 the show moved to the Evenemententhal, in Hardenberg.

The Noordshow is a national exhibition that is held in the first week of January. The national character means that breeders from all over the Netherlands come to Drenthe with their animals. Due to the wide variety of varieties, there is also international interest and breeders from surrounding countries find their way to the Noordshow and we know entries from Germany, Belgium and Luxembourg in particular, but sometimes also from Denmark, Sweden, Spain, Italy and the Czech Republic.

Because almost all recognized breeds can be admired, the association of breeders of fowls, rabbits, guinea pigs and small rodents “Kleindierlovers Nederland”, KLN, brings its federal show of the “feathers” department, which are the fowl, bantams, ornamental - and waterfowl and Serama’s and the rabbit section down at the North show. Award of the show by the association means recognition of and confidence in the quality of the organization of such a great show.

Young breeders have their own show at the Noordshow for all animal groups, so with their own judges and their own prize pool.Although there is an aging population in the breeder population, the Youth Show meets a need. In recent years, about 700 animals have been exhibited by junior breeders.

During the show days, there are stands of the unions KLN and NBS (fancy pigeons) and numerous stands of specialty clubs and associations, where visitors can obtain more information about the breeds and animals. The whole is further completed with exhibitors for pet supplies, etc.

The Noordshow is a national exhibition with international participation. An average of 8,000 people visit the Noordshow every year and because of its size, there is also interest from abroad to visit the show.A budget of around € 150,000.00 is used to finance the entire project. The financing of the Noordshow consists for the most part of the proceeds of the organization itself. There is only one corporate sponsor, the Noordshow does not receive government subsidies.

We have noticed that breeders have also looked beyond national borders in recent years and show their animals there. For that reason, a variety-specific European show has been organized within the Noordshow several times in recent years. Within the sport we know many specialty clubs, which are associations of breeders of a specific breed or a few breeds. The specialty clubs can organize a pedigree European show and place it in a show.

In 2011, the specialty club B.K.U. that stands for the poultry breeds Brabanter, Kraaikop and Nederlandse Uilebaard, her pedigree Europe show below the Noordshow. In 2012, the specialty club of the poultry breeds Sussex, Orpington and Dorking followed, and in 2014 that of the National Poland and Color Dwarf Club in the rabbit animal group. The European character means that breeders of these breeds from the Netherlands and abroad come to the Noordshow with their animals to show them and to compete with each other in sport.The character of a pedigree European show has resulted in the Noordshow having an international class from 2018.

Breeders from the European Entente (EE) countries, which is the European partnership of the national unions, but also breeders from the Netherlands, can enter animals in the international class. These are animals of breeds or colors that appear in the European standard, but which are not recognized in the Netherlands.Animals whose standard in the country of the entrant differs considerably from the Dutch standard are also placed in the International class.The International class is a separate division of the show with its own prize schedule. Expert judges are available for each animal group, if possible from abroad. The inspection is done according to the European (EE) standard.

Over the years, the Noordshow has developed into the show we are today. With the right P.R. in the right places, the Noordshow is always able to reach a publicity highlight and the Noordshow is becoming a household name with more and more breeders.
